The meeting was called to order at 2 p.m. by President Rose Porter. It was moved and seconded that the Agenda be approved. Passed.

**Introductions: Jayson Meyer, Mizzou Alumni Association (MAA)**
Jayson is the contact person in the MAA for MURA. He spoke to the Board regarding the partnership that the MURA and MAA have developed; both groups want to support the system. A common thread ties all of us to MU. Jason gave some history of the MURA website. A third party vendor has been purchased to help with the control of the website. We will be able to post information ourselves. The site will be more dynamic. A memo was sent to MURA outlining how MAA would work with our group and how MURA would work to support MAA. (see memo)

**MINUTES:** It was moved by Earl Wilson and seconded by Dick Otto that the minutes from the January 23, 2013 meeting be approved. Passed.

**Approval of Committee Chairs and Standing Committee Chairs:** Ken Hutchinson nominated Barbara Harris as Chair of the Communication Committee. Seconded by Doris Littrell. Approved.

**PRESIDENT’S REPORT:** Rose Porter
- The new retiree flier is in the rack in at the entrance of the Alumni Center. We would like every retiree to get this flier.
- Rose has worked to get the email distribution list set up and can now reach over 400 people by email. We need to continuously add and delete names to the membership list. Our goal is to switch everything into the MU IT system.
- There is a general account for the President of MURA. The email address is MURA@missouri.edu. Now, emails can be sent to MURA without having to know who the President of the organization is.
- Friday, June 7 is the Chancellor’s luncheon. Rose is working on this function and Dick will be at the luncheon to distribute fliers.

**TREASURER’S REPORT:** Earl Wilson (See the Treasurer’s report attached to these minutes)
- Earl commented that, overall, MURA is doing well.

Treasurer's Report to the MURA Board
April 10, 2013

1 As authorized by the Board on January 23, 2013, I traded Vanguard 500 Index Fund shares valued at $72,432.13 for 1,218.986 shares of the Vanguard Wellesley Admiral Income Fund. As of March 31, these shares were valued at $73,517.05.

2. We were notified on March 18, 2013, that MURA's tax-exempt status was revoked effective November 15, 2010, for failure to file a Form 990-N information tax return for the years 2007, 2008, and 2009. In November 2012 we were told that revocation would occur, and that our application for tax-exempt status would be approved with a restatement date of November 15, 2010. This action is still pending.

3. As reflected by the attached cash flow statement, MURA's financial position remains stable and, contingent on dues collections for the remainder of the year, a reduced operating deficit is expected this year.

Re: MURA & MAA Partnership

Thank you for engaging the Mizzou Alumni Association (MAA) in conversations related to our shared interest in providing support and connection for retirees of the University of Missouri and UM System. Per our conversation:

- The Mizzou Alumni Association will develop a new website for MURA. This site will be launched no later than July 1, 2013 and will provide a platform which enables designated MURA volunteers to maintain and update information directly. The system will be easy to use and require no web management experience. Support from MAA staff will be available when issues arise and trainings will be offered as new volunteers transition into the designated MURA web manager role.

- The Mizzou Alumni Association staff will provide design services for the MURA newsletter which is produced three times per year. A single MURA designated contact will provide all written content and images for inclusion in the publication to MAA. A mutually agreed upon timeline will be developed for each newsletter cycle that includes deadlines for information to be provided to MAA, content review and approval by MURA, print, and dissemination.

- The MU Retirees Association will provide opportunities for promotion of MAA programs and services that appeal to MURA members. Opportunities may include MAA staff presenting at MURA events, newsletter coverage, or other partnerships to be identified.

MAA is pleased to be partnered with you in support of the University of Missouri and looks forward to ongoing collaborations. This agreement will be revisited July 1, 2014 and updated accordingly.
