MURA enjoyed pizza and supported the Kitty Dickerson Scholarship Fund! –

On May 16 many MURA members and friends enjoyed Columbia's most popular pizza and raised \$175 for the Kitty Dickerson Scholarship Fund.

More than 20 members of the existing and incoming MURA Board met on May 18 to learn more about the organization, their roles and expectations of board members.

Kudos to the team that conceptualized and organized the event, Jo Turner, Betsy Garrett, Mark Stewart and Ken Dean.
